Supermom

https://soundwiches.wordpress.com/2021/04/25/supermom/

You know what? Mother's day is coming. You know? Mom, mama, mommy, ma... that woman!

More than a woman! A superwoman with superpowers!

Gee, look at that! It's a bird... It's a plane... It's Supermom!

She's here, there, and everywhere! Mamma mia! 25 hours a day, eight days a week. Nothing is impossible for Supermom!

Oh mama! Non-stop power! Energy to the max! Always with a smile on her face.

So, time to celebrate, okey-dokey?

Surprise!

I've got a present for you, mom.

I know it's not much, but it's the best I can do.

My gift is my poem and this one's for you.

Cherries are red,
the clear sky is blue,
black isn’t white, and...
Mom, mama, mommy, ma, I love you!

Oh my gosh, I'm gonna cry.

So beautiful! Bravo, bravo, bravissimo!
